

Pacific N.W. – NFI CORE Review and Exam

Category: NFI Core Review & Exam

Date: APRIL 5th 2022

Location: 12220 SW Cimino St. #101 Tualitan, OR. 97062 “Gensco Wholesale”

Cost: \$320 for PDF or printed manual, review and exam. YOU MUST PRE-REGISTER. **If you are an HPBA member, you qualify for a 30% discount. The coupon code is available from your affiliate office.**

Time: Review – 9:00 AM – 12:00 PM

Lunch – 12:00 PM to 1:00 PM

Exam - 1:00 PM to 3:00 PM (if you don't want to take the exam onsite, you have 30 days to take the exam)

* 1st certification requires both core and one fuel type. Additional fuel type certifications will not require a core test. **THIS IS FOR THE CORE REVIEW & ONLINE EXAM ONLY.** If you are CSIA certified, you do not need to take the CORE exam. You would need to apply for a CORE exemption with NFI.

It is recommended that you study the manual for at least 30-60 days prior to review and exam. If you select a PDF version of the manual, the link for the manual will be emailed. If you select a printed copy, the manual will be mailed to you.

TO TEST ONSITE:

- You may bring a calculator to use during the exam. You may NOT use a smart phone for the calculator. The computer exams have a calculator in the computer and there is an online calculator once you are in the actual exam
- Bring web capable laptop for exam. The computer needs a webcam and microphone.
